Yes, I'll schedule it. The draft should be ready for your review by tomorrow or early Thursday.

I forgot. We should do a dry run before the briefing so that everyone is comfortable.

Subject: Spanish labeling briefing

Hi Linda,
The DD briefing is tentatively scheduled for OPP staff meeting on Monday Aug 31. However, I might be taking that day off to move to my new house.

Would it be alright if Christina give the presentation, or should we ask to move it to September? On the one hand, the sooner we present to the DDs, the better. On the other hand, I have a lot of the historical knowledge that Christina might not. However, I have total confidence that she would do a great job presenting this to the DDs. Also I think you will be there so you can fill any gaps in the history that Christina might not have.

What do you think?

Jose
